COLD WARNINGS

Winter Hits Across U.S.

CHICAGO (AP)—Snow, rain, sleet, cold and floods plagued many parts of the United States today in a continuing spell of foul weather.

Rain and snow preceded the sweep of cold air from the northern Rockies and northern plains into the north central region. Cold wave warnings in effect for the central plains states were extended southward to include northern Texas and eastward to areas from Minnesota and Wisconsin to Indiana and western Kentucky by tonight.

Below - zero weather stung Montana, the Dakotas and parts of Nebraska as the frigid air spread from the Rockies. The mercury dropped to 18 below in Minot, N.D. readings were about 10 below in Great Falls, Mont. Snow hit areas in the midwest, west and northeast. Freezing drizzle and rain dampened many sections while thunder showers were reported along the Carolina coast and central Florida.

Floods from rain-swollen rivers menaced sections of Mississippi, Alabama and Tennessee. Several hundred persons already have been evacuated from their homes, including 350 from along the Pearl River near Jackson, Miss., and the Tombigbee River near Columbus and Aberdeen, Miss.

Rain and drizzle changed to snow during the night in Illinois, Indiana, parts of Kentucky, Missouri, Nebraska and Kansas. Light snow and freezing drizzle slicked highways in Minnesota and northern Michigan.

In the east, the precipitation ranged from drizzle to freezing drizzle and snow from the upper Ohio Valley into New England. A new storm centre off the northwest coast spread rain and snow from northern California, Oregon and Washington into Idaho and western Montana. Three to five inches of snow fell in eastern Oregon. Snow also hit areas in Nevada, Wyoming and Colorado.

Murder, Disappearances Plague Narcotics Case

NEW YORK (AP)—A federal judge decided Monday that the murders of two defendants, the disappearance of three others, and a death threat to a government witness were sufficient reason to revoke the bail of six of 11 remaining defendants in a narcotics case.

The 11 men are on trial before Judge William B. Herlands as alleged members of a gang that smuggled more than \$150,000,000 worth of heroin from Canada and Italy into the United States during the last 10 years.

Five of the 11, including Vito Agucel and Rocco Scopelliti, both of Toronto, have been in jail for some time, either on other charges or for lack of bail.

While presenting his arguments for jailing the six, Assistant U.S. District Attorney Edward Brodsky pointed out that a lawyer for defendant Frank Caruso, a fugitive, had said while arguing for bail: "I've known this defendant all my life and if he skips bail, I'll give up my licence to practice law."

GAVE UP LAW? Brodsky noted that Caruso was released on \$50,000 bail and then vanished. Whether the lawyer gave up his licence was not disclosed.

Also jumping bail and still fugitives are Vincent Mauro and Salvatore Maneri. The murder victims were William Holmes, shot to death last summer, and Albert Agucel of Toronto, whose strangled, burned body was found bound in a field near Rochester, N.Y., last Nov. 23.

It was Agucel, the prosecutor said, who threatened the life of a government witness in Canada before he met his own violent end. Judge Herlands revoked a total of \$132,000 in bail for the six defendants and ordered them to jail for the rest of their trial, which has already consumed two months.

Skid On Ice Kills Girl, 10

LIMBOUR, Que. (CP)—A girl was killed and 10 other children injured today when a car skidded down an icy hill and swerved into a group of students waiting for a school bus in this community seven miles northeast of Ottawa.

Louise Joly, 10, daughter of Mr. and Mrs. Jean Paul Joly of Limbour, was crushed to death between the car and a concrete retaining wall near the bus stop.

Soviet Fallout Less Over Canada

OTTAWA (CP)—Average level of fallout from Russian nuclear tests showed a sharp drop in Canada in the two-week period from Nov. 20 to Dec. 3, the health department reported today.

CALDOUGH'S VIEW

Jail Like High Society

VANCOUVER (CP)—Boy promoter George Caldough, jailed for six years Monday for a \$400,000 stock fraud, has a philosophy about life in prison.

Prison society, he says, is much the same as that in West Vancouver's posh British Properties district where he once entertained the wealthy in his \$70,000 home.

Caldough expounded his outlook in letters written from a cell at nearby Oakalla Prison farm where he spent 13 months awaiting trial.

"Like West Vancouver society," he said in letters to a friend in Vancouver, "Oakalla consists of dull bobbies, fascinating bon vivants, charming rogues and foul thieves."

His letters said he is convinced "there are more people fraud on a more gigantic scale, on the outside living in prisons he said before imposing the jail

term and levying \$10,000 fines against two now-penniless companies in the Caldough scheme.

But he added: "I would much rather be playing bridge at Boodles in London, skin diving off the Zaca (the late Errol Flynn's yacht) or cocktailing at the Del Paso in Mexico City."

From the prisoner's dock Monday, the nattily-dressed man-about-town who called himself the "boy promoter" said his promotional activities were more a matter of irrational and irresponsible behaviour than fraud.

"I had a tiger by the tail," he told Mr. Justice J. G. Rutland after sentence had been passed. But the judge had taken a different view.

"It is difficult to imagine a fraud on a more gigantic scale," he said before imposing the jail

term and levying \$10,000 fines against two now-penniless companies in the Caldough scheme.

But he added: "I would much rather be playing bridge at Boodles in London, skin diving off the Zaca (the late Errol Flynn's yacht) or cocktailing at the Del Paso in Mexico City."

"I had a tiger by the tail," he told Mr. Justice J. G. Rutland after sentence had been passed. But the judge had taken a different view.

"It is difficult to imagine a fraud on a more gigantic scale," he said before imposing the jail

Vernon-Kelowna Airport Plea Raises Opposition

ANY PORT IN A STORM

Any port in a storm might have been the pilot's silent thought as he glided down over snowy Kelowna today. En route from King Salmon,

Alaska to Calif., he couldn't find Kelowna Airport, and made an emergency landing on Byrnes Rd. Aircraft had one passenger, a woman.

Take-off from the roadway will be too risky so the Cessna 180 will be towed off to a more suitable area. Names

of the pilot and his passenger have not been established, but plane is owned by Ed. Seiler Air Charter Service.

Goa Surrender Claimed Despite Lisbon Denial

BELGAUM (Reuters)—India today claimed the surrender of all three Portuguese territories on its west coast after a 36-hour invasion but said one port in Goa was still holding out.

As India began preparing a military government of the captured territories, a defence ministry spokesman said the port of Mormugao in Goa, the largest territory, still was resisting. Reports reaching this town near the Goa border said Indian troops in the capital of Nova Goa were rounding up Portuguese remnants and strag-

glers. The defence ministry said "there may be some pockets here and there, but generally the Portuguese have surrendered. The whole of Goa has come under our administration."

Marmagao is Goa's main deepwater harbor opposite Nova Goa.

Earlier, a defence ministry statement said the invasion operation ended with the surrender of Portuguese troops in Goa, Damao and Diu.

The defence ministry said

eight Indian soldiers were killed in the entire operation, some were wounded, and all available indications were that Portuguese casualties also were light. More than 1,000 Portuguese troops laid down their arms and others were continuing to surrender, the defence ministry said.

It added that "roads were heavily mined, bridges and culverts destroyed and these were the only delaying factors."

"The Portuguese colonial administration had already collapsed when the Indian armed forces entered the occupied territories yesterday."

LUMBY CRASH VICTIM DIES

VERNON (Staff)—A Lumby car-train crash last Wednesday has claimed a third life today when two-and-a-half-year-old Antoine Wagner Jr., died in Vernon Hospital at 9:30 a.m. from multiple injuries.

His mother and 10-month-old sister died immediately following the crash at a level railroad crossing. The child's father and a fifth passenger Mrs. John Engle, remain in "fair" condition.

Businessman Dies In Vernon

VERNON (Staff)—Prominent Vernon businessman, Thomas W. Mann, of 3112 30th Avenue, died Monday night of a heart attack.

Mr. Mann was found by an employee of Adams Drug Store Ltd., behind their premises and close to Okanagan Cafe where Mr. Mann was a part owner. He was taken by ambulance to Vernon Hospital where he was pronounced dead on arrival.

LATE FLASHES

Kennedy Sr. Suffers Stroke

PALM BEACH, Fla. (AP)—President Kennedy's father, Joseph P. Kennedy, suffered a stroke at his Palm Beach home today. The 73-year-old former ambassador to England was reported in serious condition.

Green 'Displeased' With Goa Attack

OTTAWA (CP)—External Affairs Minister Green expressed Canadian displeasure Monday over both the Indian offensive in Goa and some of the recent United Nations actions in the Congo.

Queen, Dief Open New Phone Link

OTTAWA (CP)—The Queen and Prime Minister Diefenbaker opened a new trans-Atlantic cable today with a 4½-minute telephone conversation between London and Ottawa.

Talks Follow Auto Strike Vote

TORONTO (CP)—Talks between Ford of Canada and the United Auto Workers CLC resumed today in the wake of votes among workers at three Ontario plants authorizing strike action by the union.

N. Zealand Satisfied With ECM Report

OTTAWA (CP)—New Zealand is generally satisfied with the way Britain has been keeping it informed on negotiations for British entry into the European Common Market. Deputy Prime Minister J. R. Marshall of New Zealand said today.

Alderman's Call Termed Irresponsible By Mayor

VERNON (Staff)—A call by a Vernon alderman, Ellwood Rice, for improvements to the 'Vernon-Kelowna Airport' resulted in a split in the ranks of that city's council today.

The retiring alderman and defeated mayoralty candidate came out against an all-new Vernon air strip and terminal—until today considered a scheme backed by the entire council.

Kelowna's Mayor R. F. Parkinson today, told The Daily Courier he preferred "at this time to be like mayor-elect Cousins and make no comment."

"All I can say is, our feeling in Kelowna is and always has been that the airport could be a Central Okanagan asset because it's equidistant between the two cities. "Together we could get navigational aids and all the things we need," said Mr. Parkinson.

Ald. Rice said at the city council meeting it had been discussed throughout the Okanagan and it was deemed feasible that the existing airport servicing the two cities would be enlarged to double capacity for an all-weather, all-night terminal capable of handling jet transport. He declined to say where or with whom the discussions took place.

"It's far better to have one major airport for the two cities than two second-rate ones," he said.

Ald. Rice said existing facilities in Vernon could still be used for local small aircraft.

Outgoing Mayor Frank Becker, who was absent from chamber last night when Ald. Rice proposed the joint airport development, said today he was "astounded" at the comments.

"Vernon most certainly needs an airport. A big one with full facilities to service the entire North Okanagan and the Arrow Lakes district. This part of the country needs many more such airports and land should be purchased now, not wait until the Columbia is developed or the Rogers Pass opened—but now."

"I would suggest that Ald. Rice read many Chambers' of Commerce reports from the North Okanagan all endorsing a Vernon Airport. As usual, Ald. Rice is misinformed. It is an irresponsible statement to make."

Mayor-elect E. B. Cousins refused comment on Ald. Rice's statement. Mr. Cousins said: "I would rather withhold comment at this time . . . I have no idea what Ald. Rice said last night."

Ald. Rice reiterated his statement on joint airport development today.

"There has been a strong anti-Kelowna feeling in Vernon on such a project, but it's imperative that these two communities work together. It's absolutely silly to have one poorly equipped airport and another proposed one just a few miles apart. We need one first-class field, not two."

Ald. Rice said he would propose that such a development be called "Vernon-Kelowna Air-

port" not "Kelowna-Vernon Airport". "That way," Alderman Rice said, "this city would be more sympathetic toward the project."

NAMES IN NEWS

JFK Better In Attack By Cold

President Kennedy was reported much improved today from the heavy cold and earache that cut short his return flight from Latin America to the United States and put him to bed in Palm Beach, Fla., for a rest.

Kennedy plans to fly back to Washington today on the final leg of the weekend tour that took him and Mrs. Kennedy into Puerto Rico, Venezuela and Columbia.

Mr. Justice F. Craig Murray Monday called on women to take a more active role in the administration of justice by serving on juries. He was commenting on the lack of women on the panel for Prince George assizes.

The Queen and Prince Philip will be among members of the Royal Family attending today's christening at Buckingham Palace of Viscount Linley, six-week-old son of Princess Margaret and Lord Snowdon.

Fred Davidoff and Tim Jmaeff were committed Monday in Nelson to stand trial on a joint charge of dynamiting CPR tracks at Thrums, 22 miles west of Nelson, on Aug. 24, 1960.

Transport Minister Westwood said Monday in Victoria he "certainly hopes" directors of the Pacific Northern Railway will decide on the fate of the project at a meeting in Vancouver Dec. 29.

Dr. Harry L. Purdy, who quit earlier this month as vice-president of the B.C. Electric Company, will join the faculty of the University of B.C. next year.

Kelowna Youth Fined \$250

Keith Edward Hough, 18, of Kelowna was fined \$250 and costs in police court for contributing to the delinquency of a juvenile girl on Nov. 7.

Norman Mullins, defending, said the charge was "more in the nature of an immorality than a crime" and asked for a suspended sentence or a fine.

Details of the youth's charge were given by the Crown and his lawyer. A pre-sentence report was examined by the magistrate and Mr. Mullins.

Pending in January is a similar charge against three Kelowna youths who have pleaded not guilty.

COPS BATTLE BULGE

CLEVELAND (AP)—City policemen or firemen who have trouble seeing their shoelaces—much less bending to tie them—have been warned they will have to take off weight. Safety Director John McCormick said Monday that men "who are markedly overweight and don't do anything about it may face departmental charges."

CANADA'S HIGH AND LOW

VICTORIA 41

FORT ST. JOHN 35

AND SO ADENAUER SAID . . .

Henri Spaak, of Belgium, appears to be telling British Lord Home and Dean Rusk of America, an anecdote about some world leader as the trio gather in the Turkish Embassy in Paris, for a dinner given NATO delegates. NATO conference ended over the weekend, results being inconclusive.

Fulton Expresses Hope Of Columbia Agreement

VANCOUVER (CP)—Justice Minister Fulton expressed hope Monday night that a meeting between Premier Bennett and Finance Minister Fleming might lead to a federal-provincial partnership under which the Columbia River hydro-electric development can proceed. He said he is convinced Mr. Fleming will be able to con-

vince the British Columbia premier of the soundness of the federal development proposals. At the same time, however, the justice minister—Ottawa's chief Columbia negotiator—repeated federal objections to outright cash sale on long-term basis of B.C.'s Columbia River downstream benefit power and stated again that the federal

government will not compromise on the principles set out in the international Columbia treaty. The treaty calls for the return to B.C. of half the downstream benefit power, that power which results at U.S. generating installations from storage on the river in Canada.

Mr. Fulton told about 70 persons at a public meeting sponsored by the Young Progressive Conservative Association and the Enterprise Club of Vancouver that Ottawa is asking the B.C. premier to re-examine the federal government's Columbia policy.

Sticking closely to the prepared text in a brief reference to the Columbia, Mr. Fulton said: "We in British Columbia must have this treaty. We must receive the benefit of the cheap power—Columbia River downstream power—in order to build the industries, create the wealth and provide the permanent jobs B.C. needs."

"That is why the federal government, having got a treaty under which these things are possible, simply cannot countenance the outright sale, on a long-term basis, of British Columbia's share of the downstream benefits."

"We cannot leave this province to get along with more expensive power than that which we would make available to our competitors by an outright sale."

He said federal policy is aimed at assuring Canada a supply of cheap power to maximize industrial potential and meet foreseeable domestic needs. Ottawa wouldn't be "so senseless" as to leave Canada with an "unmanageable surplus."

Ottawa had always been willing to authorize sale of surplus Canadian power on short-term basis and in fact a few days ago had approved nine applications for export licences, all on a five-year term basis.

AS GOOD AS ALARM CLOCK

TORONTO (CP)—Patricia Ann Barbaro, 19, woke up in bed Sunday to find the front wheels of a car spinning two feet above her head.

Police said a car failed to make a jog in Broadview Avenue, crossed a lawn and smashed a 10-foot gap in a bungalow wall.

"It was just like a bomb had hit the house," said Mrs. Barbaro today.

Patricia was saved from severe injury by a sheet of plywood that fell over her, deflecting bricks that fell around her.

Frank Kolokotronis, 22, was charged with careless driving.

Bi-Racial Pact Halts Tension In Albany

ALBANY, Ga. (AP)—A bi-racial agreement has led to an easing of racial tension in this south Georgia city but a Negro leader says desegregation efforts will continue.

Talks between city officials and Negro leaders Monday resulted in the indefinite postponement of trials for more than 700 Negroes arrested last week in a series of marching demonstrations.

Under the agreement, Negro leaders said they would stop the mass demonstrations. But M. S. Page, acting chairman of the Albany movement, said negotiations are to start again next month on a broad desegregation program.

Page said his group conceded only on the demonstrations and that an economic boycott, already being felt by white merchants, wasn't discussed.

Practice of surgery in the middle ages was chiefly in the hands of barbers.

Tshombe, Adoula Meet To Discuss Peace Plan

LEOPOLDVILLE (AP)—President Moïse Tshombe of Katanga province and Premier Cyrille Adoula of the central Congo government flew to the United Nations base at Kitona today for new talks on ending the secession of Tshombe's rich province.

Tshombe left Ndola, Northern Rhodesia, with U.S. Ambassador Edmund Gullion, while Adoula flew from Leopoldville, accompanied by a strong team of his ministers and UN Undersecretary Ralph Bunche.

Adoula warned that Tshombe would have to end its rebellion against the central government and "accept his responsibilities under the fundamental law." The Congo's provisional constitution which relegates Tshombe to the comparatively minor and subservient role of a provincial president.

Tshombe said in Ndola he is not willing to accept the present constitutional framework. A U.S. source said he undoubtedly is going to hold out for a fair amount of autonomy for Katanga.

Tshombe took along his Finance Minister Jean-Marie Kibwe, and this seemed to indicate he would offer the central government financial help from Katanga's rich mining revenues in exchange for a considerable amount of independence.

RECEIVES PROTECTION The UN promised Tshombe full protection at Kitona, near the mouth of the Congo river. They assured him there would be no repetition of his arrest by the central government last spring when he walked out of the round table conference of Congolese leaders at Coquilhatville.

UN officials said the talks would be secret and UN aides and Gullion would sit in only if the Congolese invited them.

United Nations troops were reported in control of Elisabethville, Tshombe's capital, and the defenders who had battled with UN troops there since Dec. 5 appeared to have melted away into the countryside. But the Katangans and their white officers were reported planning guerrilla resistance in the bush.

A UN spokesman in New York announced that Acting Secretary-General U. Thant had ordered a cease-fire throughout Katanga for the duration of the talks between Tshombe and Adoula but that UN troops would shoot back if attacked.

Most diplomats in Leopoldville had little hope of a lasting agreement between Tshombe and Adoula. They said the two hold unalterably opposed positions and speculated that Tshombe might decide to continue his resistance to the central Congo government from exile abroad.

Fruit Plant Picketed

NELSON (CP)—Striking members of the Teamsters Union Monday began picketing National Fruit Company plants in Nelson and Cranbrook.

The 12 strikers are seeking company acceptance of a conciliation board report. The company says it cannot accept the board's recommendation because of a union security clause.

Last week, the Nelson operation announced it was closing down Jan. 1 because of "unsatisfactory conditions." No elaboration was given. Future of the Cranbrook plant is not known.

The 773 printing and publishing establishments in Canada in 1957 had 30,930 employees.

to \$2,069,997,459. Paid up capital totals \$66,528,000 and together with undivided profits bring the combined capital funds to \$306,284,208.

The bank said it would issue the annual report to shareholders "in due course." The annual meeting will be held in Montreal next Jan. 11.

Net profit, after income taxes, amounted to \$20,759,884, or \$3.12 a share, compared with \$19,503,702, or \$3.04 a share, in the previous year.

In its annual statement, the bank, Canada's largest chartered bank, reported that payment of regular dividends of \$2.20 plus an extra distribution of 30 cents a share amounted to \$16,629,613, leaving a balance of \$4,129,271.

To this was added the balance of undivided profits from the previous year, \$1,654,777, plus \$10,000,000 transferred from inner reserves, giving a total of \$15,785,008.

From this the bank transferred \$14,000,000 to rest account. This is the 12th consecutive year the bank has transferred a part of the current year's earnings to rest account, which now stands at \$238,071,200.

Personal savings deposits in the current year rose by \$88,612,327 to \$1,644,623,166. Total loans increased by \$155,682,710 to \$2,069,997,459.

TODAY'S STOCK QUOTATIONS

TORONTO (CP)—The stock market declined during moderately heavy morning trading today.

Price losses, mostly fractional occurred in every group of the industrial board.

Banks were mixed and losses in that group were the biggest of the board. Bank of Nova Scotia dropped 1/4 and Toronto Dominion 1/2. Imperial Bank of Commerce was ahead 1/2.

Individual losses saw Maple Leaf Milling down 1/4, Canadian Tire 1/2 and Bruck Mills A 3/4.

On the exchange index industrials were off .42 at 610.25, golds .08 at 90.52, base metals .35 at 212.93 and western oils .01 at 115.24.

Senior base metals weakened with Ventures and Cassiar both down 1/2 and Hudson Bay Mining 1/4. Denison slipped 3/4. Lake Dufault led junior issues down, off 50 cents at \$6.25 a share on 79,530 shares.

McIntyre Porcupine took the biggest gold loss, down 1/2 at 47. Giant Yellowknife lost 1/4.

Senior western oils were mixed. Calgary and Edmonton dropped 1/4 and Pacific Petroleum 1/4. Hudson's Bay climbed 1/4.

RE-ELECTED BY ACCLAMATION TO BCVM

Re-elected by acclamation to the executive of the B.C. Vegetable Marketing Board at an annual meeting in Kelowna Monday were: back row, left to right, A. Casorso, L. R. Stephens, S. Scott. Seated is B. Pow. (See stories this page on Annual Meeting.)

LANDER TELLS ANNUAL MEETING

US Competition Said Cause For Decrease in Veg. Sales

CURRENT WEATHER "MOST UNUSUAL"

Most unusual! That would seem to be the general impression of the current weather. Most people agree that it has been a long, long time since the Okanagan has seen this much snow before Christmas.

One 20-year resident says he cannot remember as much. A 50-year resident when asked said: "Well I can remember in 1915..."

Whether or not the snowfall is a record for this time of year the fact does remain, it is most unusual.

A. C. LANDER

Late Potato Sales Up - Could Increase More

Competition from American vegetable crops on Canadian markets was the major reason for a decrease in sales of the majority of interior vegetables, a report here indicated yesterday.

At the annual meeting of the Interior Vegetable Marketing Board, sales manager A. C. Lander in his annual sales report however, indicated the late potato crop sales to Coast markets was up 600 tons as compared to December, 1960, an increase of 14 per cent.

He said the increase was partly due to an "outstanding" job of display and advertising Interior Gems.

He said, based on information through the Board, the Interior potato production could increase as much as 50 per cent next season.

"If this becomes a reality, there will be little room on Coast markets for imported or Alberta potatoes," Mr. Lander indicated.

Vegetable Acreage Down Marketing Board Told

In its 26th annual report, the B.C. Interior Vegetable Marketing Board gave its outlook on the production of vegetables in the districts concerned.

In a table of vegetable acreage in the area covering the past five years, it was indicated there has been a continuing reduction to total acreage, mainly due to heavy reduction in tomatoes with a sustained but small planting on cabbages, cucumbers, peppers and silverskin onions and increase in spring planted onions.

The Board said it has arranged each year to have the sales agency indicate to growers quantity of each commodity for which there's a remunerative outlet "based on the best data" available "but reminded growers it was only an opinion."

BENEFIT TO INDUSTRY

Another point the Board made was that there would be considerable benefit to the industry if a plan could be instituted to gather "attention to plant" information from growers by not later than January 31.

It was indicated growers recognize vegetables cannot carry high transportation costs since some types are produced in

every province and cost of land, labor and irrigation if necessary are lower than in B.C.

The Board members said they couldn't be optimistic about a rapid expansion of the canning tomato industry unless a more realistic tariff protection on tomato pulp, puree and paste.

VASTLY INCREASED

"We believe the sale of fresh tomatoes could be vastly increased if we could provide a steady supply of quality produce for six weeks to two months," read the report.

Act Amended To Revise Basis Of Assessment

Kelowna city assessor J. E. is on a general picture but not Markle told city council Monday night, as reported last year, the Assessment Equalization Act has been amended revising the basis of assessment.

In his report, Mr. Markle said the amendment was passed by provincial legislation at the beginning of this year and requires that land and improvements shall be assessed at 50 per cent of actual value or current market value.

Mr. Markle explained the previous value assessors had to attain, was 60 per cent of 1955 land market value.

"Now, with the new legislation, we are required to assess at 50 per cent of current market value on land," he stated.

NO CHANGE

"When we compared our previous level of assessment, which was at 60 per cent of 1955 land market, that was found to be 33 per cent of the current market value on land today. However, there was little or no change on improvements, no change on improvements, no change on improvements," he added.

"Now we have to come to 50 per cent which requires a 50 per cent increase on land. This

Mackinnon Funeral Held

Funeral services were held at 2 p.m. this afternoon at First United Church following the death Saturday of Mrs. Evelyn Ruby Mackinnon, 52, in Kelowna General Hospital.

Rev. E. H. Birdsell officiated. Interment followed at Lakeview Memorial Park.

She is survived by her husband, Kenneth, and two sons Fraser of Kelowna and Ross at University of British Columbia; two sisters, Mrs. P. Abrams (Beatrice) of New Westminster and Mrs. E. Millican (Gladys) of Trail.

Friends wishing to remember Mrs. Mackinnon could donate to the Cancer Fund.

Funeral services were held at 2 p.m. this afternoon at First United Church following the death Saturday of Mrs. Evelyn Ruby Mackinnon, 52, in Kelowna General Hospital.

SCHOOL CONCERT

Kelowna Junior High School orchestra will present its Christmas concert 8 o'clock tomorrow night in the Kelowna Junior High School auditorium.

There will be several band selections as well as numbers by the school choir.

PREMIER TO SPEND CHRISTMAS WITH FAMILY IN KELOWNA

Premier and Mrs. W. A. C. Bennett will arrive in Kelowna on the weekend to spend the Christmas holiday with their family and friends.

The Premier and Mrs. Bennett will hold open house at the Bennett residence on Ethel Street December 28.

Persons wishing to greet the Premier and Mrs. Bennett or chat for awhile are welcome to attend the open house.

City Will Supply Sand To "Do It Yourself"

The question of snow removal in Kelowna turned to the ques-

DND Requires Room In New Building

The Department of National Defence would like a room 14 feet by eight feet by seven feet, seven inches in the new police administration building.

They are willing to pay \$700 for it, a sum termed small in relation to the planned building by one alderman who also asked whether the DND were planning on also maintaining the room, to be used as a "Fallout Reporting Post."

Alderman E. Winter suggested that the DND be contacted so that its position may be clarified before any action is taken by the city.

Civil Defence plans for the building, may provide \$10,000 for a basement shelter if built to CD specifications.

Council will endeavor to sort out the DND-CD policy on the matter before further discussion and a report is expected in this regard in the new year.

tion of a "do-it-yourself" sanding kit as it skidded around the city council chamber Monday night.

Alderman E. Winter reported he had received compliments of the city work crews' efficiency in snow clearance, a factor also brought up by Alderman A. J. Treadgold, who added, the costs were quite high "but if that's what the people like it's O.K."

Mayor Parkinson turned the debate around to another tack however, reporting a resident of Kelowna had told him that city provided free sand for motorists, who brought their own sacks to the city yard and filled them themselves.

Mr. Parkinson wondered aloud, as snow fell softly outside, whether Kelowna couldn't do likewise.

APPROVED

His suggestion was approved. Kelowna will provide free sand during working hours from the city yard to motorists who wish to bring their own sacks and shovels and load it into their cars for emergency use—one sack to a customer.

Snow clearing will continue on its usual efficient basis in the city, with more predicted for the next 24 hours, and a close watch will be kept on any thawing trend so as to prevent trouble with storm drains.

ROAD REPORT

Road Crews Knee Deep In Snow

Snow, snow and more snow is keeping Dept. of Highways crews on the job continuously as they plow and sand Valley highways and byways.

Salmon Arm — Three inches of snow. Plowing and sanding all roads. Main roads are fairly good.

Vernon — 97, 97A and 97B are good. Plowed and sanded.

Vernon - Cherryville — Fair, plowing and sanding.

Monash Pass — Fair, plowing and sanding.

Allison Pass — Four inches new snow. Plowing and sanding. Road is in good winter condition.

Princeton - Merritt — Two inches of fresh snow, plowing and sanding.

Penticton — Two inches of snow. Plowing, sanding. Road is good.

Kamloops — One inch of new snow. Sanding all roads.

Kelowna — Road's been plowed. Two inches of fresh snow. Side roads fair.

Junior Group Donates Chair To Red Cross

The Junior Red Cross Club of Kelowna Junior High School has received special thanks for its donation of a wheel chair to the Kelowna Cupboard of the local branch of the Canadian Red Cross Society.

The letter was received by Mrs. Edith Taylor, sponsor of the Junior Red Cross Club, requesting her to convey to the members of the club, the grateful thanks of the branch for their very generous and timely gift of a wheel chair to the Loan Cupboard.

The cupboard has 13 other wheel chairs but the demand for them has recently been so great that a couple of days before the club's gift was received the last chair had gone out on loan.

"Without their gift we would not at this moment have had any chair on hand to meet an emergency."

City Resident F. R. White Dies At 47

A former Kelowna accountant died at his Broadway Ave. home Monday. He was 47.

A requiem mass celebrated by Rev. Father F. Goddard will be held at 10 a.m. Wednesday at Pope Plus X Church following the death of Frederick Robert White.

Interment will follow in Oyma cemetery. Prayers and rosaries will be heard at 8 p.m. Tuesday evening at the Garden Chapel.

Born in London, England, Mr. White came to Oyma with his parents 36 years ago where he lived until coming to Kelowna 11 years ago where he worked as an accountant until ill health forced him to retire in April this year. He was a veteran of World War Two, serving with the RCAF.

SURVIVED BY

He is survived by his wife, Laure, of Kelowna and five daughters, Mrs. A. Davies (Gail) of New Westminster and Edna, April, Loretta and Judy all of Kelowna; one son, Robert, of Kelowna; two grandchildren and his parents, Mr. and Mrs. R. J. White of Oyma. Clarke and Bennett Funeral Directors have been entrusted with the arrangements.

CITY COUNCIL BRIEFS

City Sends Letter to PUC on Phone Rates

Kelowna city council's letter to the Public Utilities Commission, together with the recommendations contained therein, will go forward to the PUC. Telephone company superintendent S. R. Mulrhead thanked the city for its consideration and promised full and efficient service in the future for subscribers. The city, while it did not prepare an opposing brief to the phone rate increases, did stipulate certain feelings for future policy on such increases.

NO LICENSE

An application to operate a bicycle repair shop at the rear of premises situated at 729 Glenwood Avenue, by John Shiner, was denied by the city council on Monday. The council accepting a recommendation of the Advisory Planning Commission that the applicant does not reside at the address in question and is therefore unable to classify as a home occupation, did not approve issuing the necessary trade licence. Also believed to have influenced council were four written objections from residents in the area mentioned.

NEW BUILDING

The Trinity Baptist Church's

application for permission to construct a new building to house Sunday school and educational facilities, was approved by city council who followed a recommendation of the Advisory Planning Commission that construction be permitted providing the church is made aware of the requirements of the Zoning Bylaw.

REPRESENT CITY

Ald. C. M. Lipssett, A. Jackson and E. Winter will represent the city at the annual Christmas Party of the David Lloyd - Jones Home on Dec. 20 at 7 p.m. Invitation came from matron Estelle I. Richmond. Mayor R. F. Parkinson will not be present.

ACTING MAYOR

Ald. E. Winter will be appointed Acting Mayor with signature powers to act in the absence of Mayor R. F. Parkinson who is leaving the city on Dec. 23 for a visit to Victoria with his mother. Mayor Parkinson may return before the New Year.

CONTRACT FINALIZED

The finalization of the contract between West Kootenay Power and Light Company and the City of Kelowna for pur-

chase of this area's part of the lighting system, has been finalized.

TENDER ACCEPTED

Council accepted the tender of the city engineering department, one of six, submitted, to supply grave liners for 1962 at the Kelowna Cemetery at a cost of \$14.81 per grave. The liners protect graves and prevent erosion. Highest bid was one for \$28.50 per grave.

CLOSE STREET

Council have authorized the works superintendent through the Traffic Control bylaw to close the part of Guy Street lying north of the northerly boundary of Roanoke Avenue from Jan. 1 to Dec. 31, 1962 except for such requirements as are necessary to operate the Simpson Sawmill.

MINIMUM FINE

Ald. B. M. Baker explained to the city council that the \$5 fine for illegal left turns at stipulated hours at Ellis and Bernard, was a minimum fine for moving motor vehicles. It is believed such legislation exists under the Motor Vehicle Act over which council has no control.

WRITS SERVED

The writs claiming fraudulent misrepresentation by the city and its trustee, H. Harrison Smith in land option arrangements near the site of the VTC, issued by three owners, of four pieces of land, were served on

8. R. MUIRHEAD
... efficient service

COURIER CONTEST WINNER

The Daily Courier announced the winners of its annual Christmas Coloring Contest this morning. First prize winner was Heather Cole, 9, 1405 Richter St. Second prize winner was Barbara Hughes, 9, 11 R. 4, DeLair Road. Trudy Linenko, 11, won the third prize. In the over-12-years division Mrs. Denise Urquhart, Bluebird Rd., Kelowna, won the \$5 cash prize. Mrs. Urquhart also won the special Super-Vau prize of \$10 worth of groceries. She is shown above with her two winning entries.

Must Needless Tragedy Mar Christmas Season?

It would seem that tragedies seem to strike with shocking regularity at the approach of the Christmas season. Each year, it seems, at this season of the year fire, air, highway and other tragedies strike with increasing frequency.

Is it because the weather is worse than normal? Is it because the highways are worse? Is it that more people are travelling? Is it because people, thoughts elsewhere, are a little more careless?

There are thousands of people directly affected by these accidents and others indirectly affected by the distressing reading they make in the newspapers. Certainly the sympathy of all of us goes out to those affected and perhaps it is a little warmer at this time of year.

The approach of Christmas does inevitably bring rush and risk, and these are elements of accidents. In homes and public halls, on highways and streets, people congregate in larger numbers than at any other time of the year. Some are in a hurry; some are excited; some are suffering the effects of alcohol. It is a time for joy and happiness. It is also a time for caution.

How many persons will die in fires and highway accidents over the Christmas holidays? Not a one necessarily. But the grim picture painted by records of the past indicates there will be more tragedy before the Christmas

season is over, and some will be closer to home than Brooklyn.

There are some simple precautions that can be taken to prevent fire from ruining Christmas in your home:

Keep Christmas trees moist and away from fireplaces; don't leave trees up so long they get dried out.

Check tree wiring for possible short-circuits; don't use electric lights on metallic trees;

Turn out Christmas tree lights when leaving the room for long periods; don't overload electrical circuits.

Place gifts under tree Christmas Eve or later; don't let wrappings accumulate anywhere in the home;

Choose electric gifts of approved manufacture, bearing reliable seals of inspection;

Avoid grease accumulation in ovens and burners; keep children away from kitchen when stove is in use;

At holiday get-togethers, use deep ash trays that will hold burning cigarettes safely; don't smoke in bed.

For the prevention of traffic accidents, an even longer list of precautions could be made. But at this time of year perhaps the most important warning is for hostesses to serve food and tea or coffee following cocktail parties.

The National Safety Council has another word on traffic safety. It's a gift suggestion for the "man who has everything." Chances are, says the council, he doesn't have seat belts for his car!

"NOW, LET'S HEAR THAT 'HO, HO, HO,' AGAIN DONALD —
AND THIS TIME MAKE IT SOUND A LITTLE LESS SINISTER"

REPORT FROM THE U.K.

Hard To Believe! Especially Here!

By M. MCINTYRE HOOD
Special London (Eng.)
Correspondent
For The Daily Courier

LONDON — During the past week or two the huge annual share-out of Britain's 50,000 public house loan clubs has been in full swing. These are clubs to which members make their deposits throughout the year, to be withdrawn with the interest added, in time for the Christmas shopping season. The brewers who own these public houses estimated that this year's pay-out of their clubs will be in the neighborhood of \$80,000,000. Their reports show that the rate of saving has been maintained well throughout the whole of the year.

Said an official of one brewing company: "We have just over 200 loan clubs, and their savings this year have reached about \$1,800,000."

A spokesman for a brewery in the south of England said: "Our biggest club will be paying out around \$100,000. Another club has savings of \$94,000."

PAYOUT IN DECEMBER
The big payout usually starts about the middle of December, but usually is spread over about two weeks in that month. The savings at most loan clubs at the local public houses are in the region of a few hundred pounds, but the case of the bigger clubs the amount runs into thousands.

Most of the money which is collected by loan clubs at public houses is banked with the brewers, which pays interest on it. This has entirely eliminated the problems which used to arise when occasionally a treasurer absconded with the funds.

Most of the savings are spent on Christmas shopping, but at public houses it is customary for a little to go on drinks on payout night. Usually some savers put some money back into the club immediately to

INSIDE YOU AND YOURS

Oral Polio Vaccine!

By BURTON H. FERN, M.D.

For the future, oral polio vaccine will spread through the community, vaccinating the unvaccinated, preventing infection in the intestine—the source of spreading polio. Today, healthy Salk-protected souls may innocently spread polio to the unvaccinated.

Has everyone in your house had three or four Salk shots? Recently announced: a pill that cures trichomonas infections, resistant to all treatment until now. This inside-out medicine should prove a boon to bothered women.

Also, new drugs that make hard-to-kill bacteria once again vulnerable to antibiotic germ-killers. The germs must be certified resistant before these new drugs are given. Otherwise treatment may backfire, making vulnerable germs immune.

24-HOUR CYCLE
The human body follows a 24-hour daily cycle. You need three or four days to adjust to a new time zone. Jet pilots—shuttling back and forth between time zones too fast to adapt—may be suffering ill effects.

Instead of killing, one new insect spray merely prevents

flies from having babies. Were flies killed by old-fashioned sprays still able to have little flies?

High and low tide for new arrivals: most babies arrive after midnight, especially about 4 a.m.; low tide is after lunch, about 3 p.m.

Is it the moon? Or the sun? **CHRISTMAS TREE HAZARD**
Accident-proof your Christmas! Set your tree in water and trim with only flame-proof decorations. No candles, please! And check for frayed wiring.

Turn off lights whenever no one's around and awake to fire-watch. Your tree can change an emergency exit into a life-threatening obstacle course. That evergreen shouldn't become firewood until after the New Year!

ONE FOR THE ROAD
After shopping, and every two hours on long trips, drink one for the road—but make it coffee! It perks you up, sharpens vision and helps you avoid some of the crash-bent dawn.

The Fraternal Order of Police and many communities now sponsor free coffee bars.

And if you want a change, take tea and reel

start the ball rolling for next year.

OTHER FUNDS USED
In addition to the loan funds operated by the public houses, there are others run by firms for their employees and by various organizations. These are also in the process of paying out several more million dollars to their members.

The National Savings Movement has also experienced its usual run of December withdrawals, and these have also been showing some increase over last year. An official said: "As usual, the sharp rise began about the beginning of December. Although it is difficult to estimate the amount which might be withdrawn before Christmas, this year's pattern is following the usual trend."

For some years past, December withdrawals of national savings have gone up with each successive year. During December of last year, the withdrawals in the neighborhood of \$550 million—quite a sizeable sum to be devoted to the celebration of the Christmas season and all that goes along with it.

WORLD BRIEFS

FLOODING MEMO
SOMBON, Yugoslavia (AP)—Residents of a nearby village found an unusual way to express their displeasure with a mailman they considered too slow in making his rounds. They presented him with a turtle.

ROMANCE RACKET
BUDAPEST, Hungary (AP)—Bela Huzska, 46-year-old book-keeper, was sentenced to six years in prison. The court heard testimony that he became engaged to 25 women in succession, and coaxed sums totaling \$50,000 from them on the understanding he would buy an apartment.

SUNKEN TREASURE
AUCKLAND, N.Z. (CP)—Victims for years have been losing coins into the crystal-clear Hamurana Springs near Rotorua. Skin-divers trying to find the source of the springs failed, but found piles of coins on rock ledges to a great depth, and are busy recovering the money to buy Christmas toys for handicapped children.

HEAVY SMOKERS
ROME (AP)—Italians spent \$839,000,000 on smokes in the 1960-61 fiscal year, says a government report. It estimates purchases at 51,000,000,000 cigarettes, 305,000,000 cigars and 11,000,000 pounds of tobacco.

TIME TO REPENT
WARSAW (AP)—The Polish news agency reports a court in Klecie sentenced Jerzy Ostojski to three years for bigamy—one year for each wife.

TRAIN JAPANESE
BONN, West Germany (AP)—Fifteen hundred young Japanese coal miners will be sent in batches of 12 over a three-year period for training in Western German mines, under a deal made here by the Japanese and West German industry ministers, Kenji Fukunaka and Theodor Blank.

HISTORIC SHIRT
LONDON (AP)—The shirt worn by Charles I at his execution in 1649 is among 235 historic relics and art treasures going on display here Dec. 29 in an exhibition to aid charity.

OTTAWA REPORT

"Watershed" That's Nato

Second of a Series

By PATRICK NICHOLSON

Two devastating world wars, within the span of half a lifetime, inspired a widespread determination among the Free Nations to prevent an repetition of such slaughter and destruction.

Thus it was that 50 nations met at San Francisco in April 1945, affirming their intention to preserve succeeding generations from the scourge of war, and to live together with tolerance in peace and prosperity. The leading statesmen planned a far stronger League of Nations, even a World Confederacy, armed with power adequate to police a disarmed world. With this aim, they created the charter establishing the United Nations Organization.

But that charter was quickly proved to be a faulty instrument. In particular, it granted to each of the then big powers — U.S.A., U.S.S.R., Britain, France and Nationalist China — the right of veto over the operations of the Security Council, which is the chief peace-preserving organ of the U.N. Russia used that right repeatedly, to thwart the West's efforts to build a strong U.N. Thus the veto soon showed itself to be the cancer from which the U.N. may die, as the late Athanasios David pointed out in our Senate more than 10 years ago.

THE WAR'S ONLY GAINER

An immediate post-war aim of Russia was revealed as being to seize and communize the immense power vacuum created beyond its borders by the defeat of the militarist powers, Germany and Japan. To that end, Russia ruthlessly used communist infiltration and agitation, backed by the threat of soviet military might, to crush the democratic governments of Poland, Hungary, Roumania, Bulgaria and far eastern countries. It attempted to apply the same methods to seize control in Greece, Italy and France.

In 1947, the U.S. launched the Marshall Plan against "hunger, poverty, desperation and chaos", to assist economic recovery in all the war-ravaged countries of Europe. \$50 billion were poured into this program, so that when it ended in 1951,

the European beneficiaries were able to compete economically with their benefactor. This led Winston Churchill to call the Marshall Plan "the most unsordid act in history".

But in line with the communist policy of thwarting every amelioration of economic conditions in the Free World, Russia walked out of the initial Marshall Plan conference in July 1947, accompanied by its European satellites.

CANADA POINTS THE WAY

At the General Assembly of the U.N. that fall, Canada's Foreign Minister, Louis St. Laurent, asserted that the U.N. was showing itself unequal to its primary purpose of ensuring national security. He put forward the sensational and auspicious proposal, drafted by his chief aide, Lester Pearson, that "nations may seek greater safety in an association of democratic and peace-loving states willing to accept more specific international obligations in return for a greater measure of national security."

Thus Canada launched the concept of regional defensive alliances based on Article 51 of the charter of the U.N. Britain's Foreign Minister, Ernest Bevin, declared that nothing could so successfully reinforce the U.N. as this Canadian proposal. But acceptance of this idea took time.

Meanwhile the communist seizure of power in Czechoslovakia in February 1948 augmented western Europe's fear of Russia; within a month Britain, France and the Benelux countries signed the Brussels Treaty for mutual defence.

In June of that year, successful implementation of the Canadian proposal was made feasible by the adoption in the U.S. Senate of the about-face in foreign policy proposed by Senator Arthur Vandenberg, namely that the U.S. should associate itself with other nations for mutual aid against attack. Within a month the U.S. government invited representatives of the Brussels Treaty powers and Canada to meet with it in Washington, to discuss implementation of the Canadian proposal. As a result, in April 1949, these and five other Atlantic nations signed the North Atlantic Treaty, a watershed of history.

Christmas Spirit Pervades Politics

By JAMES K. NESBITT

VICTORIA—Christmas is now around the corner and here in the Legislative Buildings, the heart and home of British Columbia politics, all is quiet; brotherly love is abroad in the corridors, and thus it will remain until mid-January, when the politician MLAs you all elected gather for the session opening Jan. 25.

But let us not look too far ahead now; let us all wish each other well, and let us be thankful for our many blessings, not the least of which is the ability to forgive and forget.

I have been mixing with politicians of all varieties and hues for a good many years, and I have seen most of them forgive and forget, when the heat of battle is over, and a good thing they do, for if they did not, they would make their own lives a misery.

The lowering California redwood at the main gateway to Government House is ablaze with Christmas lights, a magnificent sight, as you drive up Rockland Avenue hill; you can see it from many parts of the city, and far out on the salt waters of the Strait of Juan de Fuca.

Inside the big mansion, there'll be a family party of four generations—His Honor, Lieut. - Governor George Pearkes, V.C., his 85-year-old mother, who lives on a Saanich farm and an unmarried daughter, His Honor's son John, and his young sons, Anthony and Timothy. It's the Pearkes' second Christmas at Government House.

The Premier and Mrs. Bennett, as usual, are in Kelowna for the Christmas-New Year season. The Premier dearly loves his role of country squire, "local-boy-makes-good", and proudest and beamy grandpa and grandpapa. This role he can play to his heart's content in Kelowna. And, while he's playing it, he's not forgetting politics, either, and of that you may be sure.

Your capital city looks very beautiful at Christmastime. A tall redwood in the grounds of the Legislative Buildings, hard by Queen Victoria on her granite pedestal, and the James Douglas memorial, gleams with colored light, and so do the hollies in the Empress Hotel gardens across the way, and

the yachts in the harbor are a-twinkle.

Next Christmas the historic and romantic towers and turrets of Craigdarroch Castle will flood with light, to be turned on in mid-March to mark Victoria's centenary.

Craigdarroch was built in the 1880's by coal baron Robert Dunsmuir, which reminds me I was talking the other day with his great-grandson, Robin Dunsmuir, who's forming a new party, the Political Reform Association, hoping thus to oust Premier Bennett and his Social Credit. Says Dunsmuir, fire in his eye: "The time has come when British Columbians will have to take positive action to challenge the fearful menace of the totalitarian state that is now emerging in this province. Guided by false and distorted versions of the truth, the people are allowing the best interests of British Columbia to be sacrificed to political expediency."

But—enough of that—Here I pledged I wouldn't mention politics at this season of brotherly love, and there I go, politics gets in the blood, and how we love it so, those of us who are infected.

I wish to you all, in so many parts of this province, a happy Christmas, and good days in 1962. I thank you for your interest in my work, even though sometimes you do not agree with me. I like your letters, and your opinions. Often they come to me like a fresh breeze from the country and the mountains and the lakes and the rivers, to guide me in trying to sort out the always fascinating maze of politics.

SAD MEMORY

Map locates island of Hong Kong, off the coast of China, which surrendered to Japanese invaders Christmas Day, 1941, after 200 Canadians were killed or fatally wounded in the defence of the 410-square-mile crown colony. A total of 267 others died in prisoner-of-war camps. —(CP Newsmag)

50 YEARS AGO

December 1911

Owing to the absence of Mayor Sutherland at the Coast, the meeting of City Council summoned for Monday evening, was not held.

In Passing

"I don't worry about being unable to take it with me," said Old Sorehead. "What little I have wouldn't be worth taking, anyway."

There's nothing quite so elastic as whatever it is that many a politician uses in lieu of a conscience.

"Every living creature has worries," says a biologist. Ain't Nature grand!

NEATEST TRICK OF THE SEASON

The bachelor hostess shown above has a neat trick for entertaining in her small studio during the festive season. She has produced a small, colorful buffet by camouflaging her ironing board!

Make Your Own Party Cover For Buffet Entertaining

What's a girl to do for space when she wants to give a Christmas party in her studio room or small apartment?

While buffet entertaining is admitted to be the easiest form of gracious hospitality, rare is the bachelor girl with her very own buffet!

Luckily, the neatest trick of the festive season is one proposed by sewing centre experts, which magically turns an ironing board into a gay buffet! An ironing board, decked with glamorous cover will give the needed table area for silverware and food, while producing a festive and colorful effect.

Not only is this homey object just the right height for serving but it has an attractively shaped top which will look stylized and 'modern' under a cover. Furthermore, it will leave that only standby, the card table, free for extras or for seating arrangements.

Washable corduroy, in a bright accent shade, such as lime, pink or turquoise, is suggested for the party table cover. It can be gaily trimmed with three or four inch wide fringe for the bottom and one inch wide

edging to outline the top. Pocket can be added along one side to hold paper plates (china plates would be too heavy) and napkins, if desired.

Before covering the ironing board, a paper pattern duplicating the shape of its surface should be made. Ironing board's sides can be covered by three separate panels of fabric, cut to suit width and length required. Two panels will be sufficient if the wall side is to be left undraped. The front panel will probably consist of two or more lengths of fabric. (Fabric requirement should be determined according to measurements, before it is purchased.)

Corduroy is the fabric recommended for this purpose by sewing

centre experts because it is completely washable, allowing the cover to be used over and over. Corduroy requires no special treatment other than normal care in washing, and the use of any mild soap and warm water. It should never be twisted or run through a wringer because this will set deep creases into the pile.

Ironing board cover should be hung wet and allowed to drip-dry. Then, and what could be easier, the cover is fitted over the ironing board wrong side out and a steam iron is held above, but not on, the corduroy. When the cover is removed, the pile should be raised by brushing to restore corduroy to its original velvety lustre.

ENJOYING NURSERY SCHOOL

Little children, most of Delhi slums, most of whom have never seen a toy before play happily with painted wagons at USC's creche.

Midst Squalid Huts In Delhi Slum Is An Oasis For Mothers

In the midst of squalid huts that give shelter to 5,000 Delhi slum dwellers in Delhi there is an oasis where destitute mothers can sew, hungry children can be fed, deprived tots can play and where education and medical treatment are available to all free of charge. This remarkable one-story structure, built and sponsored by the Unitarian Service Committee of Canada is a medical centre, creche, nursery school and classroom—all in one.

The doors of the Centre open at 7:00 a.m. and close at 10 o'clock in the evening. There is never a moment of inactivity. For two and one-half hours each day a medical team consisting of a doctor, midwife and compounder attend to the growing numbers of patients who are gratefully accepting the miracles of modern medicine. Sewing and embroidery classes are held in the afternoon and literacy classes in the evening.

There is also a debating club, newspaper facilities and bi-monthly film showings.

Most encouraging of all is the intellectual awareness of the teen-agers and young people swelling the literacy classes. It is no longer good enough to accept without question century-old inroads of poverty. Their bright young minds are never still in their relentless probe for ways to improve their personal destinies within their own lifetime. The Unitarian Service Committee, constantly hampered by lack of funds, is striving to help destitute people realize their full potential through its annual appeal for \$250,000 "Friendship Dollars". Donations, deductible for income tax will be welcomed at USC Headquarters, 78 Sparks Street, Ottawa, 4.

LITERACY CLASSES Most encouraging of all is the intellectual awareness of the teen-agers and young people swelling the literacy classes. It is no longer good enough to accept without question century-old inroads of poverty. Their bright young minds are never still in their relentless probe for ways to improve their personal destinies within their own lifetime. The Unitarian Service Committee, constantly hampered by lack of funds, is striving to help destitute people realize their full potential through its annual appeal for \$250,000 "Friendship Dollars". Donations, deductible for income tax will be welcomed at USC Headquarters, 78 Sparks Street, Ottawa, 4.

Mothers who attend the sewing and embroidery classes leave their babies in the security of the creche where they will each receive a glass of nutritious milk. Older tots, scrubbed clean by the social worker and wearing pretty garments made by their mothers, play happily on swings, slides, wooden horses' lawn, 4.

Work Of Versatile Artist On Display In Library

For the rest of December, the exhibit in the new Board Room of the Kelowna Library will be the work of Marion A. Grigsby of Winfield. Mrs. Grigsby is well-known as teacher of art in the night schools of Kelowna, Vernon and Enderby. She has selected works of her own for this exhibit, which will contain an unusual variety of media. There will be examples of oils, watercolors, poster paints, illuminations and pen and ink. All were executed within the past three years.

Mrs. Grigsby has a teacher's diploma from the University of London, where she studied for seven years. She has been teaching and painting in Canada since 1932. She is one of the few artists today who have

mastered the difficult technique of the illumination of manuscripts, and has executed the Book of Remembrance for West Vancouver's War Memorial. This is on display in the Public Library of West Vancouver.

Junior Hospital Auxiliary Plan Klondike Ball

The December meeting of the Junior Hospital Auxiliary was held at the Nurses Residence with 22 members present, on Monday Dec. 11.

Mrs. H. Henderson reported the Christmas Bake Sale was a success, with a profit of approximately \$154.00.

Members are busily planning for the Annual Charity Ball, to be held on Feb. 16. The theme this year will be Klondike.

A most delightful evening of fun followed the meeting, as members participated in the annual Christmas Party.

Isobel Leitch Circle Elects Officers For '62 At Meeting

The official duties of Mrs. Jean Scaife, successful convener of the Isobel Leitch Circle of the First United Church of Kelowna, terminated at the meeting held at her home in Glenmore last Wednesday evening.

The meeting combined recent business matters, an interesting Christmas devotion led by Catherine Drachenberg, voting of the new governing executive for 1962, packing of a huge Christmas hamper with preserves, canned goods, groceries and gaily wrapped presents to be given to a local needy family; and the selling of left over Bazaar items, after which an enjoyable social hour was held.

The new executive elected for 1962 are: Convener, Mrs. Catherine Drachenberg; co-conveners, Mrs. Grace Stewart, secretary, Mrs. Dorcas Robert and treasurer, Mrs. Mary Wilson. Committee chairwomen are Dorothy Parker, friendship; Marie Williams, sick and shut-ins; Joy Crosby, hospital; Louise Munroe, baby band; Bobbi Beagle, social; Mary Lou Ferguson, supply; Carolyn Hanson and Bonnie Maddock, bazaar; Kathy Kraft, Missionary; and phone crew, Carol Johnson, Bonnie Maddock and Peggy Thorn.

Congratulations were offered to the retiring convener, Mrs. Jean Scaife, and her able executive for a job well done and Mrs. Scaife in turn thanked every member for their willing participation in the work of the

Wright Seminary, Tacoma, to spend the holiday season with their parents, Mr. and Mrs. J. Bruce Smith, Summergrove Farm.

David McLaughlin, Shawinigan Lake School, has arrived home to spend the Christmas holidays with his parents, Mr. and Mrs. T. C. McLaughlin, Saucier Road.

The newly formed Okanagan Mission Volunteer Fire Brigade is very pleased with the number of people who turned out on Sunday to their Open House. The firemen gave a demonstration of their ability to handle the hoses and equipment.

Clive and Tony Peyton, students at Vernon Preparatory School, arrive home on Tuesday to spend the Christmas holidays with their parents, Mr. and Mrs. J. W. Peyton, Knowles Road.

On Friday evening in the Parish Hall of St. Andrew's Church, the Junior Sunday School presented a Nativity Tableau, and carols were sung. On Saturday afternoon in the Parish Hall the Senior Sunday School brought gifts of food and toys for needy children in the area.

Miss Patricia Kerr, who is teaching at Deep Cove, is expected home this weekend to spend the Christmas holidays with her parents, Mr. and Mrs. Roy B. Kerr, Cedar Creek.

Mrs. E. St. John of Vancouver is spending Christmas with Mrs. George Bancroft, Lakeshore Road.

Marjory and Jennifer Smith, returned home from Annie

Newcomers to Kelowna are three of the four partners who recently bought the Royal Anne Hotel. Mr. Jack Stafford and Mr. Donald Young who are both from New Westminster are now residing in the hotel, and Mr. and Mrs. Joseph Keenan and family who arrived last week from Whitehorse, Yukon Territory, have taken a home in Kelowna. The fourth partner, Mr. Ernest Rushwater of Fort Nelson is planning to arrive in Kelowna with his family early in the spring.

Miss Judy Hamilton arrived home from UBC over the weekend and will spend Christmas holidays with her parents Mr. and Mrs. T. Hamilton.

BUFFET SUPPER The Dr. W. J. Knox Chapter of the IOOE held their Christmas party last week at the home of Mrs. C. Pettman with twenty-one members present and each member brought a gift for the children of their adopted school at Black Mountain.

After a delightful buffet supper a short business meeting was held, following which the members joined in singing Christmas carols to end a very enjoyable evening.

OKANAGAN MISSION The schools of Okanagan Mission are holding their Christmas Concerts in the Community Hall on Wednesday, Dec. 20. There will be a concert in the afternoon commencing at 1:30 and another in the evening commencing at 7. It is hoped that as many parents with pre-school children will attend in

WESTBANK ITEMS

WESTBANK — The citizens of Westbank wish to thank the Westbank Chamber of Commerce and the employees of the B.C. Hydro for their contribution of colored lights and time in making Westbank more beautiful at the festive season, with strings of lights across the main street and a lighted Christmas tree at the West-

bank Community Hall.

Lloyd Biccum is a patient in Kelowna General Hospital. We wish him a speedy recovery and return home.

Mr. and Mrs. R. M. Springer have left for the Coast to visit Mr. Springer's father, who is a patient in a Vancouver hospital.

Mrs. E. Gaskell is staying in Kamloops to be with her daughter Rita, whose husband Bruce Nelson, met with a logging accident while working at 100 Mile House and was brought to Kamloops Hospital for treatment.

\$5,000 Blaze Guts Garage Of Lumby Firm

LUMBY (Correspondent) — ACCIDENT O'NICE
Fire of unknown origin completely gutted a three-bay garage, destroying a truck and the Lumby district, although over \$1,000 worth of equipment was saved, Monday.

Hector LeBlanc, owner of J. LeBlanc Trucking arrived at 2:15 p.m. to find firemen working desperately to quell the blaze. His two big trucks were out on the job, but his third, a flat deck, was in the garage for repairs on a front spring.

Lumby fire chief, Cecil Willis, said although they were reasonably sure that the fire started in the truck, the cause was still unknown.

Almost a full complement of firemen turned out to fight the blaze and despite several explosions, it was under control within 20 minutes.

Mr. LeBlanc reports that only a portion of the loss was insured. The three-year-old garage was insured for \$4,000, but the truck and garage equipment was not insured against fire.

ARTHUR LEFROY ... happy at work

Postmen Hard At Work

VERNON (Staff) — Like all post offices in the country at this time of year, Vernon's is no exception. It's working to capacity.

Postmaster A. E. LeFroy, said today business is equal to that of a year ago — possibly busier.

Between 35,000 and 50,000 two-cent greeting cards are put through the cancelling machines daily. Seven additional letter carriers were hired Dec. 13 and will be employed until after Christmas. Total number of carriers is 16.

There will be no letter carrier delivery Christmas Day or Boxing Day or New Year's Day.

Mr. LeFroy said that Saturday will be "clean-up" day of all mail in the post office to avoid disappointment for Christmas mail.

No Opposition Openly On Phone Rate Hike Plea

VERNON (Staff) — City council will not openly oppose any rate increase to subscribers currently applied for by the Okanagan Telephone Company to the Public Utilities Commission.

Instead, council has passed a resolution to be presented to the PUC asking clarification of telephone company financing, rate classifications, and cost operation of direct distance dialing.

The resolution notes that such a proposed increase varies from 30 per cent on commercial accounts to nil on some domestic accounts resulting in an overall increase in revenue to the company of about 11 per cent, "it is a difficult proposition for any person, group, or official body to undertake the necessary re-evaluation."

CIVIC ARENA GOES IN HOLE TO TUNE OF \$2,300 SO FAR

VERNON (Staff) — Vernon's Civic Arena recorded a deficit of more than \$2,300 to date this year, according to figures released at City Hall Monday.

While revenue amounted to \$13,947.94, operating expenses were \$16,229.

Ald. James Holt commented that the arena was not built as a money-making project, instead he claimed it was keeping the children off the streets and citizens should realize that their money is being well spent.

Arrow Displaced Persons To Get Help From Vernon

VERNON (Staff) — Vernon Chamber of Commerce has offered to help in the relocation of displaced persons which will result from the proposed flooding of the Arrow Lakes country due to Columbia River power projects.

This was reiterated last week at the general meeting of the chamber in a report by Harold Down, chairman of power development and water control committee.

Early in 1961, when the development of the Columbia appeared imminent, the Vernon Chamber suggested that this could be the time to develop the North Okanagan metropolitan water district in order to make irrigated land and domestic water available to these people. However, survey engineers stated that North Okanagan water supplies were adequate for at least another 40 years.

In his report to the Chamber, Mr. Down stated the organization had good cooperation from the B.C. Power Commission on both local and provincial levels, and it was hoped a solution could be reached in the differences of the senior Governments for the development of various projects.

Mr. Down was referring to the current squabble between B.C. and Ottawa over Columbia development.

In other committee reports:

FINANCE
The finance committee anticipates a balanced budget. Though final figures will not be available until early January, it was indicated by Chairman D. G. Macmillan that a small surplus will exist.

BEACH AND PARKS
F. R. Harris, chairman of the beach and park committee reported that efforts of the committee to secure options or leases on Logan and Parker properties at Okanagan were unsuccessful. City of Vernon has secured additional lake frontage on lease and this will be of tremendous recreational value. Mr. Harris reported, ratepayers have sanctioned purchased property at Kalamalka Beach for long needed parking facilities.

TOURISTS
The aim of the tourist committee is to interest visitors in coming to the Vernon area; interest the tourist travelling Highway 97 to stop in Vernon; and interest the visitor in spending as much extra time as possible in the area.

Frank Blanchard, chairman of the tourist committee reported that as a member of the Okanagan Valley tourist association the local chamber will benefit with the O.V.T.A. budget of \$12,000 to be spent on advertising, signs, information booths, floats, Pacific Northwest Travel Association and Okanagan Cariboo Trail Association promotion for the entire valley.

Mr. Blanchard said O.V.T.A. is doing extensive planning to attract visitors to the valley in the "Big year of 1962" when the Seattle Worlds Fair will have a visitor potential of some 10 million. Together with the opening of the Rogers Pass highway, he said, will be a terrific boost to the Okanagan.

Legion Women Hold Annual Meeting

VERNON (Staff) — The Vernon Women's Institute of the Royal Canadian Legion branch No. 25, held its annual meeting Dec. 14 in the Legion Hall, with President Mrs. A. S. Neilson in the chair.

Full reports were read which stated two women of the welfare department helped with the weighing of the babies every Monday afternoon at the Health Centre Clinic, also once a month at the Silver Star school, the West Vernon School and the Okanagan Landing school.

They also assist with the serving of juices at the pre-natal school classes held at the Health Centre.

The ladies of the welfare department also helped make and serve tea at the Golden Age Club.

Two Christmas hampers were sent out to the needy families, also shoes and overcoats were sent out.

The birthday committee sent out 29 birthday cards to each member as their birthday came along.

Christmas parcels were sent to the Queen Alexander Hospital for crippled children.

The Welfare Department also visits the sick patients at the Vernon Jubilee Hospital. And get well cards, fruit and flowers were sent to the hospital.

Past president, Mrs. John Roberts took the chair for nominations. Elected into office for the new season are: Mrs. A. S. Neilson, president, (re-elected); Mrs. T. W. McNair, vice-president, (re-elected); Mrs. H. W. Knight, secretary-treasurer, (re-elected); Mrs. B. McLeod and Mrs. John Roberts, elected as directors.

The Women's Institute is also planning a Christmas party to be held on the evening of Jan. 19, 1962, in the Legion Hall.

The next annual meeting will be held on Jan. 18, 1962. Tea was served.

Game Club Presents Trophies

Enderby District Fish and Game Club meeting was held Dec. 13. The judging of game trophies took place and also the presentation of prizes.

Judges were A. Frisby, district game warden from Vernon, and P. Butler from Salmon Arm.

Winner of most points for mule deer was Jim Mack of Enderby; he was presented with a tray with a picture of deer on it.

Winner of most points for white tail was Johnny May, Salmon Arm Road, Enderby; he also won a tray. Mr. May also won the pheasant trophy for the bird with the most bars on tail prize.

It was reported that the turkey shoot held at Ashton Creek earlier this month was a financial success and about \$114 was cleared.

The January meeting will be the annual meeting and will be held in the Legion Hall, at this time the prizes for fish will be presented also door prizes.

Okanagan Given Praise By Writer From Coast

VERNON (Staff) — A visit to the Okanagan, and Vernon, by a West Coast newspaper feature writer has "paid off".

Mrs. Ginnis Beardsley, in her first two page article on the Valley describes the beauty of the Okanagan, highlighting Vernon and the strenuous effort in the development of Silver Star Ski Resort.

In her words "it is the crown jewel of the winter world in the Okanagan and even Kelownians will prefer Silver Star to other ski resorts in the area."

Mrs. Beardsley, who attended the Okanagan Valley Tourist Association meeting in Kelowna recently, stated that despite the competitive spirit existing in the Valley, the team work between the three cities in the association is an achievement and acts as a challenge to other areas.

"Ten years ago," Mrs. Beardsley writes, "this wouldn't have been possible as today we find Penticton, Kelowna and Vernon sitting down together and discussing various matters pertaining to tourism with complete harmony."

"When I think of Vernon, I think of trees. Trees for commerce in the biggest celebration of National Forest Products Week (the largest held in Canada) to the lovely tall poplars in Polson Park."

But at the same time Mrs. Beardsley declares the "brown line of beautiful elms lining Bernard Avenue. She would cast one small firm tourist vote to save the elms."

Dec. 26 Dance For Yacht Club

VERNON (Staff) — The Ladies' Auxiliary to the Vernon Yacht Club will sponsor a Boxing Day dance at the Yacht Club, 10 p.m. to 1 a.m.

At the general meeting held recently the ladies got underway making plans for the dance. The club will be decorated in a Christmas theme.

Dancing will be to the music of Don Ross' orchestra. All members and guests invited to attend. Tickets on sale at the door.

The dance is the final project of the year for the Ladies' Auxiliary.

Oyama Legion Welcomes New Branch Members

OYAMA (Correspondent) — A meeting of the Oyama branch, good representation of Legion members were on hand past week for the regular monthly meeting. President Peter Greer welcomed Earl Bilquist and John Green as new members of the branch.

Final results of the poppy campaign were presented, indicating that good support had been received from residents of Winfield, Okanagan Centre and Oyama, with the welfare account benefitting by nearly \$200. Welfare chairman Hugh McLaren indicated that Christmas hampers would soon be distributed to the deserving in the three areas, and would members please inform him of any needy families.

Since the billiard table had been removed from the club rooms there has been considerable interest in shuffleboard. A suggestion to commence a series of competitive tournaments was well received and will be acted upon.

Christmas In Music, Song Presented By Rebekahs

ENDERBY (Correspondent) — Olive Rebekah Lodge entertained friends and relatives at their regular monthly meeting, when they presented their pageant Christmas in Music and Song in a beautifully decorated hall.

The white-gowned sisters formed the shape of a Christmas tree as the twenty-third Psalm was read. Two angels then decorated the tree with tinsel and lighted the candles. After which the lovely Psalm was sung by the sisters.

Eugene Petch's violin renditions, accompanied by Mrs. Ethel Skelton on the piano, were much appreciated.

The Christmas story was then presented in full choral arrangement while the star of the East led Shepherds and Kings to the focal point of the manger scene.

Brother Ben Carlson was master of ceremonies and also played some lively selections on the saxophone accompanied by sister Vera Barnes on the piano.

The evening came to a close in the sisters.

Since the billiard table had been removed from the club rooms there has been considerable interest in shuffleboard. A suggestion to commence a series of competitive tournaments was well received and will be acted upon.

PROUD OF SCOUTS
Scout representative Jim Elliot reported that the branch could be proud that two Scouts from the local Legion sponsored Scout troop had recently qualified as Queen's Scouts. Letters of congratulations and encouragement were ordered sent to the two boys as well as to Scoutmaster Arnold Tremblay.

Secretary Ben Crooks was appointed to look after entertainment until the end of the year. The responsibility was that of first vice-president Bill Cook who was recently hospitalized in Vancouver's Pearson Hospital.

A nominating committee consisting of Bernard Gray and Ruben Krebs, was appointed to approach members to stand for office during the coming year. The annual meeting and election of branch officers due to be held in February. The next regular monthly meeting will be held on January 10.

Clarification On Milk Quota Reply Sought

VERNON (Staff) — Manager of SODICA here, Everard Clarke, has asked the Minister of Agriculture Frank Richter for "further clarification" of his letter to Mayor Frank Becker last week.

Mr. Richter's letter to council defended the new milk board regulations and said only half the story was publicized by the dairy industry.

Mr. Clarke said a meeting of the dairy industry has been called for Dec. 20 and he would like a full explanation of implications contained in his letter to Mayor Becker especially in view of the compromise that has now been reached with the B.C. Milk Board to increase milk quotas in the Kootenai-Okanagan area in July and August each year.

NEW CHAIRMAN
VERNON (Staff) — At a special meeting of the Vernon Winter Carnival Society recently local businessman Frank Oliver was named general chairman of the 1963 Vernon Winter Carnival. He will succeed George Melvin who was in charge of the festival for the first carnival in 1961 and the 1962 cycle.

COUNCIL BRIEFS

Installation ceremonies for the new mayor and council will be held at the Canadian Legion Hall, Wednesday, Jan. 3. New mayor, E. B. Cousin, aldermen-elect Michael Lemski and John A. Davis, as well as incumbent aldermen Franklyn Valair and Eric Palmer will be sworn in.

HIGH LEVEL
That in the financing of its expansion program of the past several years, from what sources were funds raised — earned surplus, issue of new shares, of issue of debentures. If the former, was this in sufficient amount to indicate that the revenue of the company is already at a high level.

That the proposed increase would appear to be disproportionate as between the various rate classifications.

That the cost of operation by the company is at least in part due to the implementation of "direct distance dialing," which is a type of service not necessarily desired or required by many customers and which they must pay for whether used or not. This is aggravated by the fact that it is virtually impossible for a commercial customer to control such use by unauthorized persons.

It is expected the brief will be presented to the PUC immediately followed by a meeting by council with the local chamber of commerce to formulate further plans on the rate increase issue.

Royal Canadian Legion has asked council to consider vehicular traffic stoppage in the immediate vicinity of the cenotaph during future Nov. 11 parades and services to dispense noise and disturbances experienced this year. The request was referred to the incoming 1962 council.

Mayor Frank Becker arrived at council meeting late after attending the 9th Annual Senior Citizens Banquet sponsored by Rotary Monday.

Outside garbage to the city dump outranks local garbage 2 to 1 according to a survey conducted by the works department. In a seven day period, 42 loads of city garbage arrived at the dump compared to 50 loads of mill and 33 loads of commercial garbage.

Ald. Ellwood Rice noted the Winter Carnival celebration could well damage sod in Polson Park, and stressed that the new council should take corrective steps in the spring.

Student Wins \$250 Award

VERNON (Staff) — Miss Alice Marchand, 17, daughter of Mr. and Mrs. Joe Marchand, of Vernon, and a graduate of the Vernon High School, has won a \$250 award, donated by Trump Limited of Oliver.

Miss Marchand is now enrolled as a first-year student at Notre Dame University College in Nelson.

ERIC GREEN

Sports Editor

Stuck five points behind league-leading Kamloops in 1961, Kelowna Junior Buckaroos are looking back in a little anger and forward with that characteristic optimism of a good athlete.

If the Buckaroos were a man, and maybe it was a Buckaroos rep that said it, he might utter epithets like "God willing," "If things go according to Hoyle," "Time will tell," or "We've got it if we can only use it."

Even the most recent loss fails to deter this agent from the broken-record utterance that our Buckaroos are the toughest club in this valley and in its wild frontiers—like Kamloops.

The New Westminster Royals visit here December 26 for exhibition play.

BIG SCORERS

Some premier scorers on that term, Stan Osadczuk to name one (he has been known to score six in a game very recently), will quite possibly be the private hell of Buckaroos defence. Another star is Ed Grenda, who leads the league in scoring and penalties.

Royals have been called a number of things, including top brand name High Calibre Company in the Pacific Coast Junior League. It will be interesting to see what kind of sparks fly when the Buckaroos clash with the Royals.

The fact that they meet on BOXING DAY, I hope won't be prophetic.

The reputation the Buckaroos is threatened by the overwhelming number of minutes in penalties racked up.

NOW INFAMOUS NAME

Post-football, post-soccer beefs, Kelowna has collected the infamous name of a town that likes to make its odds.

Most outstanding in its promulgation of this ridiculous charge was a North Okanagan sheet which stepped off the deep end by extending this tendency of Kelowna sport clubs to cut corners into all facets and phases of community living and government.

Not that bleatings like these bother, but when a league and its officials picks a scapegoat it may tend to bear down very stiffly on the goats.

EFFECT THE GAME

They may not do it consciously, but the effect will be the same.

Buckaroos exchange games Friday and Saturday with Penticton. Penticton comes here Saturday.

The Slough-Foot Fives, is about as quick a tag I can give the motley crew who will meet vaunted defending Senior 'B' Royalites Jan. 11.

The pick-up cage corporation have challenged the Royalites to an exhibition match. They are not-so-old complement of pick-up types, who have either yearned to cage and been too busy, or who have studied it from the sidelines and instead of writing of it want to play it.

Full reports of time and place will be given in later editions.

DEAN SOMEWHAT WORRIED

Coach of the Royalites, Bill Dean, said he is all for it. Dean did express surprise at some of the names tentatively slated to grace the roster of the Slough-Footers.

Full lineups will be published prior to the game.

With 1961 having extended its credit to the breaking point, 1962 appears to be coming on like a squad of gangbusters.

There will undoubtedly be much speculation about 1962 as THE sport season. How many records broken, matched? How many sport figures will relinquish their hold on life? Will a baby be born in 1962 who will match an untouched record in some science-fiction version of the Olympics 20 years from now?

Two German Flags To Fly At World Hockey Matches

NEW YORK (CP) — World dents between the two countries hockey officials are quietly going to the business of laying the groundwork to keep the cold war out of the Rockies.

They hope to prevent another walkout by West Germany in the 1962 world championships at Colorado Springs and Denver, Colo., by making it clear to the West Germans that if they play and lose to East Germany they must salute the East German flag.

The flags of the two Germans will fly during the 11 days of the tournament, March 8-18, outside the Broadmoor World Arena in Colorado Springs, located at the eastern end of the Rocky Mountains at the foot of Pikes Peak.

In world championships, the flags of the winning countries are hoisted at the end of the games played. As a full member of the International Ice Hockey Federation, governing body of world amateur hockey, East Germany enjoys this privilege.

INCIDENTS OCCUR

But West Germany does not recognize the Communist regime of East Germany and there have been several incidents.

FREZZING MEAT

Good quality beef, pork, lamb and veal should be thoroughly chilled in the carcass at least 24 hours before freezing.

VISITING ROYALS ATTACK

New Westminster Royals, entry in the Pacific Junior Hockey League, will play an exhibition game with Kelowna Buckaroos Boxing Day.

Dec. 26. Royals are top-rated in their league. Ed Grenda, right is a fast-skating player. Ed leads the league in scoring, and in penalties. He

is playing his last year of junior hockey. Don McCall, left, is a Vernon boy. He played with the Okanagan All-Stars last year, and is now attending UBC.

Goyer Still Tops WHL With 8-Point Margin

SEATTLE, Wash. (AP)—Scoring leaders held their places in the Western Hockey League last week, with Gerry Goyer and Danny Belisle of Los Angeles Blades running one-two at the top of the list.

League statistics released today show Goyer with 49 points, followed by Belisle at 41. Len Lundie of Edmonton Flyers, Gene Meklik of Spokane Chiefs and Rudy Filion of Seattle Totems are tied for third place with 40 points.

	G	A	Pts.
Goyer, Los Angeles	23	26	49
Belisle, Los Angeles	21	20	41
Lundie, Edmonton	16	24	40
Meklik, Spokane	14	26	40
Filion, Seattle	12	28	40
McVie, Portland	23	16	39
Carmichael, Los Ang.	7	31	38
Kilburn, Spokane	14	23	37
Brisson, Spokane	20	16	36
Johnson, Calgary	10	26	36
Fielder, Seattle	9	25	34

Wilma Rudolph Cops Best Athlete Title

NEW YORK (AP) — Wilma Rudolph, a tall, willowy girl, who doesn't believe in hurrying unless she's wearing track shoes, easily outdistanced all opposition again in winning the Associated Press award as the outstanding United States female athlete in 1961.

It was the second straight year Miss Rudolph finished on top in the AP year-end poll. In the 1961 voting by 250 sports writers and broadcasters, Wilma was named first on 178 ballots.

Miss Rudolph collected 592 points on a basis of three points for a first-place vote, two for second and one for third. Miss Wright had 270 points and Miss Hard 175.

Wilma tied her own indoor record of 6.9 seconds for the 60-yard dash on Feb. 3 and two weeks later shattered the mark with a 6.8 clocking.

ALWAYS IN MONEY — Miss Wright, 26, finished in the money in all 24 golf tournaments in which she competed. She won 10 of them and earned \$22,236.21. Included among her victories were the national women's open and the women's PGA.

Miss Hard won the U.S. national tennis singles crown.

Freezer compartment doors should be kept closed in event of a power failure or mechanical breakdown.

NFL'S BEST COACH

Giants' Allie Sherman

NEW YORK (AP) — Allie Sherman of New York Giants, who met with only limited success in three coaching seasons in Canada, has been named coach of the year in the National Football League for 1961.

Sherman, who guided the Giants to the Eastern Conference crown in his rookie campaign, was selected in an Associated Press poll of sports writers and sportscasters in the NFL's 14 league cities.

He went to the Giants in 1957 after coaching Winnipeg Blue Bombers of the Western Conference.

Sherman never won a Grey Cup classic with the Bombers, but his clubs were always in the Western playoffs. He joined them in 1954 and they won eight games, tied two and lost six. The next year the Bombers won seven and lost nine and in 1956 won nine and lost seven. The Bombers twice reached the Western finals and were beaten by Edmonton Eskimos.

Sherman came up with a sensational team in the NFL, this year. The Giants ended the regular campaign with 10 victories, a tie and three losses. They met Green Bay Packers, Western Conference champions, for the NFL title Dec. 31.

Sherman wasn't the Giants' first choice as coach this year. They wanted to get Vince Lombardi from Green Bay but he was unable to get a release from his contract.

GETS 17 VOTES — Sherman outdistanced Lombardi in the voting. He had 17 votes, while Lombardi and Norm Van Brocklin of Minnesota Vikings each got four.

Sherman worked under coach Steve Owen with the Giants from 1949 to 1953 and then went to Winnipeg. He returned in 1957 as personnel director and took over as backfield coach under Jim Lee Howell in 1959 when Lombardi left for Green Bay.

Owen now is coach of Saskatchewan Roughriders in the Western Conference. He formerly coached Toronto Argonauts in the Eastern Conference.

The Giants signed Sherman to a three-year contract last Jan. 10 when Howell retired.

Although the Giants had a 60-50 record in pro-season exhibition games, Sherman didn't panic. They clinched the conference championship by half a game when they played to a 7-7 tie with Cleveland Browns last Sunday.

Lombardi won the Western title for the second straight year, clinching it this season by defeating the Giants Dec. 3. Van Brocklin, star quarterback with Philadelphia Eagles last year, had a 3-1 record as a rookie coach with the Vikings, last year.

Taylor, the league's second-best ground gainer in the regular season with 1,307 yards, suffered a back injury in Sunday's game.

FRANCHISE RIB? — Synank, also hurt Sunday, said he believes he may have a torn cartilage or fractured rib. Others on the injury list are end Max McGee and offensive guard Jerry Kramer. McGee didn't play against Los Angeles because of rib injuries suffered a week earlier. Kramer was lost about mid-season with a leg injury.

Taylor has been just about all day army leaves starting Wednesday. That would make them available for the big game.

GERRY GOYER ... strong season

BOWLING RESULTS

After 20 games, top seven bowlers in local western Canada five-pin trials for Kelowna show Carol Koga leading the women and Coke Koyanagi heading the men.

WOMEN (Total after 20 games) Carol Koga 4495; Kay Braden 4295; Mary Welder 4199; Gerda Perron 4117; Donna Dunn 4070; Vida LeVasseur 4027; Helen Poelger 3878.

MEN — Coke Koyanagi 4860; Tony Senger 4770; Tubby Tamagi 4728; Mits Koga 4672; Jim Kila 4571; Mas Matsuda 4535; Brian Fazan 4425.

"TOO EXPENSIVE"

Council in Hot Box Over Lacrosse Box

The problem of providing a legitimate "lacrosse box" for the reorganized O'Keefe club is that it can be flooded for may become a "hot box" story of the winter season.

Revived interest in the sport last year was thwarted from development by lack of a real "home." Council came to the club's aid tentatively promising to look into the matter of location and expense of a box.

Lacrosse, the sport which once claimed a major portion of spectator interest in the valley, faded for a number of years. A few stalwarts carried on until the embers of interest were fanned into new flame last season.

As many as 25 interested senior players met at this season's organizational get-together several weeks ago.

A committee set up by council only a week ago, came up with estimates of cost at Monday night's council meeting.

Alderman B. M. Baker, and works superintendent H. M. Trueman said that the box would cost \$6,815.

Broken down, this figure represents expense of an asphalt floor: \$3,444; lighting, \$1,958; and walls, \$1,913. The lacrosse club stated previously that it would take care of wire netting costs.

CONCRETE SOFTER

Baker said, "A concrete floor might cost more, but, believe me, it would be a lot better."

unanimous in shying away from the high cost.

● Art Jackson: "That's a lot of money. Costs would have to come down considerably before I will support it."

● Bill Baker: "I would like to see lacrosse return. I would support construction of a box if some of the frills were left out, and cost brought down."

He blamed inattention to young lacrosse players for the death of the sport.

● Jack Treadgold: "I am not against lacrosse, but would only be willing to go for a cost similar to that suggested when the box was originally brought to council's attention some months ago. I wouldn't spend money on something that had died."

● Cam Lipsitt: "Lacrosse is pretty well out in the Okanagan. Cut the price to bear essentials and it might be feasible."

Other comment at council Monday night:

Mayor Dick Parkinson said he wasn't concerned with cost as long as the facilities were used extensively.

The Mayor also said summer skating in the Arena (Alderman Horton said earlier that summer hockey's takeover of arena facilities had been responsible for lacrosse's death) was a tourist attraction. He said he would support lacrosse if it also proved to be a tourist attraction.

Evan Williams said the box could be used for many other recreational pursuits. He suggested a season of play without lights to pare costs.

Mayor Parkinson wondered about bleachers, but was told the lacrosse club wasn't presently considering them.

Evan Williams finally asked that the matter be referred to the special committee again.

Further consideration and study will be given the matter.

Terriers Lose

GALT (CP)—When Galt Terriers represent Canada at the world hockey championships in Colorado later this season they won't have Jacques Monette in goal.

Terriers had been considering Monette for the chore on the basis of his performance with Amherst Ramblers, last season's Maritime senior champs, but the situation changed radically when Monette played this season in the U.S. Eastern Amateur League.

NINE-MAN TEAM REPRESENTS CANADA IN SLED COMPETING

MONTREAL (CP) — A nine-man team will represent Canada in the 162 world sled championships at Garmisch-Partenkirchen, Germany.

The Canadian Amateur Sledging and Tobogganing Association said the members are Chris Ondaatje, David Hobart, Purvis McDougall, Paul Levesque and Peter Kirby, all of Montreal; Lamont Gordon, John Emery and Gordon Currie from Ontario.

Ondaatje said in an interview Monday that sledding enthusiasts from as far away as Vancouver will fly over with the team to gain experience on the championship course.

Packers' Ranks Depleted; Injuries, Army Take Toll

GREEN BAY, Wis. (AP)—Green Bay Packers had to help star fullback Jim Taylor off a plane when they returned home Monday night to begin preparations for the National Football League's championship game here Dec. 31.

Also hobbling down the ramp before a hushed welcoming crowd of 1,500 was defensive halfback Johnny Symank. He and Taylor were taken to hospital for examination.

Their names are among seven on a list of Packer starters in-

jured or missing because of military service. It is not certain whether any of them will be able to play against New York Giants for the league crown.

The Packers' Western Conference champions returned from Los Angeles, where they ended the regular season with a 24-17 victory over the Rams Sunday.

Coach Vince Lombardi said the but was obviously concerned about the Packers' depleted ranks.

Taylor, the league's second-

best ground gainer in the regu-

lar season with 1,307 yards, suf-

fered a back injury in Sunday's game.

FRANCHISE RIB? — Symank, also hurt Sunday, said he believes he may have a torn cartilage or fractured rib.

Others on the injury list are end Max McGee and offensive guard Jerry Kramer. McGee didn't play against Los Angeles because of rib injuries suffered a week earlier. Kramer was lost about mid-season with a leg injury.

Taylor has been just about all day army leaves starting Wednesday. That would make them available for the big game.

Called to army duty about the same time as Hornung were linebacker Ray Nitschke and flanker Boyd Dowler. They have also missed some games and played on a limited scale.

Nitschke and Dowler told Lombardi they expect to get 14-

the league's top scorer, was called to active armed duty six weeks ago. Hornung hasn't practised and has seen only limited duty since.

Called to army duty about the same time as Hornung were linebacker Ray Nitschke and flanker Boyd Dowler. They have also missed some games and played on a limited scale.

Nitschke and Dowler told Lombardi they expect to get 14-

club's.

Major Wheat Importers Show Drop In Stocks

OTTAWA (CP) — Wheat supplies in the four major importing countries — Canada, the United States, Argentina and Australia — were down 15 per cent Nov. 1 at 2,392,200,000 bushels compared with a year ago. The U.S. has far the most and

Canadian stocks are down more than 200,000,000 bushels at 531,600,000.

Exports for the first three months of the current crop year starting Aug. 1 were up about 25 per cent at an unprecedented 357,300,000 bushels, the Dominion Bureau of Statistics said today.

The figures reflect demand sharpened by shortages in Red China and elsewhere, plus Canadian drought.

Canadian exports at Nov. 1 totalled 108,900,000 bushels against 81,800,000 a year ago. The stock picture, with 1960 equivalents bracketed:

United States 1,782,700,000 (1,871,100,000); Canada 531,600,000 (798,500,000); Argentina 26,100,000 (63,900,000); Australia 40,

Canadian exports totalled 354,000,000 bushels in the last crop year and exports of about 325,000,000 or more are predicted with continued demand from Red China being shown under a 2½-year credit agreement signed earlier this year, plus traditional British demand and annually-increasing orders from Japan.

India's Invasion Of Goa Hit By West, Lauded By Reds

LONDON (AP) — India's invasion of three Portuguese territories was strongly denounced in Western countries today and applauded by commentators in Communist nations.

The neutralist nations, which usually look to India for leadership, mostly remained non-committal. Indonesia, itself involved in a bitter quarrel with the Netherlands over Dutch New Guinea, gave strong support to India's invasion of Goa, Damão and Diu.

In London, British Commonwealth relations office said Britain's high commissioner in New Delhi, Sir Paul Gore-Booth, had protested to Prime Minister Nehru against the military action.

In Washington, state department officials said the United States has decided against immediate steps in the United Nations to oppose India's invasion. But these officials made it clear that the U.S. strongly disapproves of India's action.

In Paris, the French foreign ministry received the news of the attack with "astonishment and regret." A statement said "France believes all differences among nations should be resolved by peaceful means."

THE SANDS — ON ENGLISH BAY AT STANLEY PARK

STAKES CLAIM

A Katangan soldier claims his bed in the deserted Elisabethville Hospital after all the patients and medical staff fled. Hospital was an unintentional target for both Katanga and UN mortar fire and several people were hurt by bomb blasts.

Style Expert Not Unhappy At Politician's Attire

TORONTO (CP) — A men's style expert has looked over

the sartorial fashions of some Canadian politicians and is not happy with all he sees.

The professional appraisal comes from Tom Aplin, who has been in the men's clothing business for almost 45 years and is longtime executive director of the Men's Clothing Manufacturers' Association of Ontario.

Prime Minister Diefenbaker and new Ontario Premier John Roberts get high marks. But the grades are not so good for New Democratic Party leader T. C. Douglas, Finance Minister Fleming and former Ontario premier Leslie Frost.

Reason for the low marks is that Mr. Aplin is not happy to see men clinging to what he describes as the "old style" double-breasted suits with broad lapels.

DIEF CHANGES STYLE
Mr. Diefenbaker, he says, has graduated from double-breasted to two- and three-button single-breasted, some with the British look.

"From a liability to our association's efforts, the prime minister has become our most valuable asset. Snappy-dressing Trade Minister Hees puzzles him. "He appears to be a man very concerned about proper appearance," Mr. Aplin says.

NOT REALLY FAT
AUCKLAND, N.Z. (CP) — "Fat lamb" is the traditional term for prime lamb in condition for the table, but a drive has been started in the industry to ban the expression. Marketing experts said lamb in best condition is not fat, but the term tends to deter overseas customers.

Interested In Canada Crime

WASHINGTON (CP) — The United States Senate rackets committee is showing interest in reports and charges on the alleged spread of crime in Canada.

Jerome S. Alderman, the committee's general counsel, said in an interview today he is particularly interested in allegations by Ontario Liberal leader John Wintermeyer that illegal gambling and other crime threatens Ontario through international connections.

Alderman said the committee might hold new hearings some time in 1962. Subjects considered might include bookmakers operating in horse racing and other sporting events.

Alderman said in an interview, "We are studying all aspects of the gambling situation as it might affect interstate commerce. "I doubt that we would call any Canadian witnesses and I don't expect any heavy Canadian involvement in the hearings. But if we decided they could help, I am sure we would obtain their co-operation." Alderman said he has heard a lot of reports of American racketeers being chased into Canada because of growing toughness of American crime laws.

WORLD BRIEFS

STALIN REMOVED

LIMOGES, France (AP) — The Communist-dominated village council of St. Julien in west-central France has changed the name of Boulevard Stalin to Boulevard Marcel Cachin, in honor of the veteran French Communist leader.

TIME OFF

COLOGNE, West Germany (AP) — West German workers covered by compulsory health insurance are showing an absence rate of six to seven per cent because of illness, "a surprising increase," reports the industry institute.

RESTORE MURALS

MEXICO CITY (AP) — Mexico is spending \$20,000,000 to restore great murals painted in public buildings by such artists as Diego Rivera, Jose Clemente Orozco and David Alfaro Siqueiros.

FEAR GUINEA EFFECTS

In the Hague, Netherlands government officials feared attack on Goa might influence Indonesia in the dispute over Dutch New Guinea.

A Dutch foreign ministry spokesman said:

"The Dutch government deplores the fact that India, always a champion for the principles of the charter of the UN and opposing the use of force to realize national purposes, now has taken the law into its own hands."

Spanish officials expressed sympathy with their Portuguese neighbor. One official said India's attack is "unjustified and a violation of all that India has long stood for."

Spain and Portugal are bound by a mutual defence pact. But Spanish officials said they did not expect Portugal to call on

Correspondents Hurt In Congo

SALISBURY (Reuters) — An official of the Congo's Katanga province was killed and two journalists, one a top correspondent for the New York Herald Tribune, were wounded in Elisabethville fighting Monday. It was reported in the Southern Rhodesian capital.

The dead official was identified as Jean-Claude Savre. The journalists are Sanche Gramont of The Herald Tribune and Jim Biddulph of the broadcasting corporation.

A manually operated machine-gun was patented in London, England, in 1718 by James Puckle.

1. Births

A BLESSED EVENT—The birth of your child is interesting news that your friends want to know. It is easy to tell everyone at once through a Daily Courier Birth Notice and the rate for this service is very reasonable. Only \$1.25. A friendly ad-writer will assist you in wording a Birth Notice, just telephone PO 2-4445, ask for Classified.

2. Deaths

NICHOLSON—The many friends of Mr. Paul J. Nicholson of 2435 Abbott St., will be grieved and shocked to hear of his sudden passing on Monday evening, December 18th. The funeral arrangements will be announced later by Day's Funeral Service Ltd.

WHITE—Fredrick Robert, aged 47 years, of 589 Broadway, passed away at his residence on Monday, December 18th, 1961. Requiem Mass will be held at St. Pius X Church on Wednesday, December 20th at 10:00 a.m. with Rev. Father F. Goddard as celebrant. Interment in Oyama Cemetery. Prayers and rosary will be recited at the Garden Chapel, 1134 Bernard Avenue, on Tuesday evening at 8:00 p.m. He is survived by his wife, Laure, five daughters, Gail (Mrs. A. Davies) of New Westminster, Edmee, April, Loretta and Judy all of Kelowna, one son, Robert of Kelowna, two grandchildren and his parents, Mr. and Mrs. Bob White of Oyama. Clarke and Bennett have been entrusted with the arrangements.

BRICK BRADFORD

BUZZ SAWYER

Not Approached By Douks-Fulton

VANCOUVER (CP) — Justice Minister Fulton said Monday night he had not been approached by the British Columbia state said the set has an big radical Sons of Freedom motion on 5,000 acres at \$15 an Doukholof set regarding their acre.

Previous move proposals to the minister said even if a South America and Russia have request was made for a meeting fallen through.

he doubted he would be able to fit it into his busy schedule, told the set he wants proof.

Freedomite leaders are seek-Brazil will accept them before ling financial aid for a move to he will talk about the move.

Store Clerk Took Gamble On Empty Gun Chamber

VANCOUVER (CP) — An armed holdup man fleeing Monday through a department store crowd of Christmas shoppers turned on produce clerk Malcolm Colling and shouted: "Don't come after me or I'll shoot."

Colling, 20, looked at the bandit's revolver for an instant then brought him down with a flying tackle.

The clerk said later he saw that four chambers in the revolver cylinder were empty and "gambled" that the other two also contained no cartridges.

He said he heard the weapon click while he lunged and knew that his gamble had paid off.

Two police constables took the gunman into custody in the downtown store of Hudson's Bay Company ending a wild chase which began two blocks away at the Guaranty Trust Company of Canada about 4 p.m.

Police said the bandit confronted Guaranty Trust teller Elaine Berry with his revolver and demanded money.

She ducked behind the counter and shouted: "There's a holdup."

FIRE A SHOT

The bandit fired a shot into a planter and fled to the street.

DISPUTE TV

REYKJAVIK, Iceland (AP)—A cold war is raging over American television in Iceland. The only TV broadcasts here from the U.S. are those of the U.S. Army, and by popular demand its power was increased so the programs could be seen here. Now the Communists contend Icelandic culture is menaced, and demand a parliamentary ban on U.S. programs.

The bidding:
West North East South
Pass 1♦ Pass 2NT
Pass 3NT

Opening lead—six of spades.

It is difficult to learn to count out a hand. You would think that this ought not to be so because, after all, everybody knows there are 13 cards in each suit and that each player is dealt 13 cards.

However, when it comes to applying this knowledge to a particular deal, many players fall down on the job, either because they are too lazy or because they simply do not think along such lines.

Examine this hand. South starts with eight sure tricks and

is looking for a ninth. How should he go about his task after he ducks two rounds of spades and wins the third one?

He sees he can gain a trick in either diamonds or clubs, depending on how those suits are divided. But he dare not let West obtain the lead, so at trick four he leads a low club and plays the eight from dummy.

East takes the ten and returns the queen of hearts. Declarer lets him win the trick in order to gather as much knowledge of the opponents' distribution as possible. East continues with a heart.

Now South is in a position to assemble all the information he needs to make the contract. He has already lost four tricks. He cashes the A-K of hearts and also the A-K of clubs. West is forced to discard two spades as these tricks are cashed.

What does South know about West's hand at this point? He knows West started with exactly five spades (East showed out on the third round of spades). He knows West also started with exactly two hearts and two clubs (West showed out on the third round of these suits).

Declarer therefore knows that West's four unknown cards are diamonds. There is no other possibility. Accordingly, he leads a low diamond to the king, a low diamond back to the queen, and then another diamond. When West plays low, South finesesses the ten with absolute assurance that it will win.

YOUR HOROSCOPE

FOR TOMORROW
If engaging in group activities during leisure time, go out of your way to promote harmony and you will find that others will enter into "the spirit of things" in a highly congenial manner.

FOR THE BIRTHDAY
If tomorrow is your birthday, your horoscope indicates that your special talents, which embrace both creative and executive traits, will be under fine stimuli during the next three months. It would be well, therefore, to put your best foot forward and not only make the best use of your skills, but take steps to "advertise" yourself a bit. Let others—especially those in a position to help—know what you are doing and try to enlist their interest.

If you take advantage of all available opportunities, you should note a great improvement in your status by September, not only occupationally and financially, but in personal matters as well. Look for some exceptionally good news next December.

A child born on this day will be trustworthy, fair-minded and extremely gregarious.
